2 Special Condition #18: You shall abstain from the use of illegal controlled substances, and shall submit to urinally is testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Stanger has been counseled by his probation officer on several occasions for failing to provide urinalysis testing, as required. This includes his failure to appear at the contracted vendor's office, as directed, on the following dates: September 29, October 3, and November 13, 2011. On November 15, 2011, during an unscheduled home visit, Mr. Stanger was requested to provide a urine sample. However, he was unable to provide the sample at the time requested.

Mr. Stanger provided a presumptive positive urinalysis test on December 12, 2011, for the use of methamphetamine. Following the provision of the presumptive positive sample, Mr. Stanger was asked if he wanted to sign an admission of use form. Mr. Stanger reported to Deputy Chief Elvin that he had used methamphetamine on December 9, 2011, and following this admission, he signed an admission of use form.

On December 12, 2011, Mr. Stanger notified Deputy Chief Elvin that on the previous evening he had become involved in a domestic dispute with his mother and brother. During this dispute, as reported by Mr. Stanger and his mother, Mr. Stanger's brother caused irreversible damage to the base unit of the location monitoring equipment causing it to become inoperable.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer the allegations contained in this petition.
